

EDUCATION University of Holguin (Oscar Lucero Moya), Holguin, Cuba
Bachelor's Degree:
Computer Science, June 2011

Jefferson Community & Technical College, Louisville, KY
Associate of Applied Science:
Communication Arts Technology: Commercial Photography Option, Dec 2027

EXPERIENCE **Federal Student Worker**, Jefferson Community & Technical College, Louisville, KY, 2025- present
I provide CATP lab assistance by supporting students with photo printing, mounting, and the use of Adobe Creative Suite software. I maintain photography labs and classrooms to ensure they remain clean, organized, and secure, while also selling printing materials and responsibly handling cash transactions. In addition, I monitor and manage photography studio assets to support smooth and secure daily operations and ensure full compliance with established rules, safety standards, and institutional procedures.

Manager and Lead Photographer, Studio Esplendor, Holguin, Cuba, 2015-2021
I worked as the manager of my own photography studio, where I handled client consultation and project planning, managed sales of photography services and related products such as framing, and oversaw all aspects of studio operations. I delivered high-quality photographic work while maintaining strong client relationships and ensuring efficient business performance.

Network and Data Base Administrator, SERVISA, Holguin, Cuba, 2012-2015
I managed computer networks and databases, ensuring system stability and data integrity. I provided technical support for accounting software and Microsoft Office applications, demonstrating professional and efficient performance in all assigned responsibilities. I worked collaboratively with team members, showing a strong commitment to teamwork.

SOFTWARE SKILLS Adobe Photoshop, Lightroom Classic, Capture One, InDesign, Illustrator, Adobe 2D Animation, Microsoft Word, PowerPoint, Excel.

ABILITIES Strong photography skills, including composition, lighting, framing, and visual storytelling, solid understanding of design principles such as layout, balance, contrast, and color harmony, knowledge of typography fundamentals, including font pairing, readability, and visual consistency, attention to detail and strong aesthetic judgment, ability to follow creative guidelines while maintaining originality, Creative and Critical Thinking, Enthusiastic Attitude, Sales Skills.
